

Aishwarya International Public School, Maddur
FROM THE PRINCIPAL'S DESK
AN OVERVIEW OF THE ACADEMIC YEAR 2018-19

March 2019

Dear Parents

Greetings to you!!!

It gives me immense pleasure to report that we have had a, great, successful and a very fulfilling academic year and we continue with a spirit of confidence and enthusiasm aiming to scale greater heights in future.

Our school community strives to make each child an all-rounder catering to holistic development. Our teachers are educating educators, focussing on all aspects of development –physical, emotional and academic- contributing to child centric personality development initiatives at school. As parent partners, your involvement makes a tremendous positive impact.

Here in a nutshell I present before you the eventful year that has gone by.....

- It was a moment of pride for the AIPS family as we were conferred with the Prestigious **International School Award by British Council** in December 2018 which would be valid upto 2021.
- The third batch of Class X students secured outstanding results in the AISSE Board Examinations 2018. **We achieved outstanding 100% results in all the three batch of students in 2016, 2017 and 2018.**
- Open day, the classroom presentation for all the groups was held. Each venue, allotted for the programme, was magically transported to represent the various topics. Students spoke with confidence and style.
- Science Seminar was held for Class IX and X students to explore the innate talent hidden in them. It was an amazing platform for the students to exhibit their talents.
- National and religious festivals were celebrated during the year to instill the values of secularism and patriotism amongst our students.
- A plethora of inter house competitions were held in the areas of literary quests, sports and fine arts, through the academic year provided the much needed exposure to our students, helping them to unleash their latent talent and contributing to their overall personality development.
- Guest lectures by representatives of various Universities had been organized for the students of Classes IX and X to give them an insight into various under graduate programmes and career choices available to them.
- To incorporate hands on experiential learning in the pedagogy, students of all classes were taken on field trips and excursions that blended education with fun.

- Students participated in class assemblies and school programmes conducted during the year, that were vital platforms honing their communication skills and aptitude. AIPS Maddur is committed to adding value to all educators, thus helping them to achieve and maintain an edge that distinguishes our institutions from the mediocre ones. As a part of capacity building for our staff members, the school continues to invest in various technical training programs and teacher training workshops where the teachers' existing skills are upgraded, honed and transformed.

SUMMER BREAK AND RE-OPENING:

For Beginner, Junior, Senior school breaks for summer from Saturday, 30 March 2019.

For classes I to VIII and the school will remain closed from Monday, 1 April 2019 for the summer break.

For the new batch of classes X, the school closes for summer break on Friday, 12 April 2019.

The schedule of re-opening of the school after summer break is as follows:

Classes	Day and Date of reopening
Class I to X	Monday, 27 May 2019
Junior & Senior	Thursday, 6 June 2019

On behalf of all members of team AIPS Maddur, I would like to place on record our gratitude to the parent fraternity for partnering with us and supporting us throughout. We thank you for the faith and confidence you have shown in us and standing by us at all times. Our journey of making excellence a habit in our school has been exciting. Your continued encouragement and cooperation in this journey will help us maintain high standards and ideals set by AIPS for its students To Lead, To Excel, To Overcome!!

Vindya Bopanna
Principal AIPS, Maddur
